- Half Double Crochet (hdc)

The half double crochet stitch is a versatile stitch that falls between the single crochet and double crochet stitches in height and density. It is perfect for creating textured projects, such as blankets, scarves, and hats.

- Treble Crochet (tr)

The treble crochet stitch is a tall, lacy stitch that creates a delicate, airy effect. It is perfect for shawls, lies, and other decorative projects.

## Learn to Crochet Instructions

### Slip Knot

1 Make a loop, then thread another loop through it.

2 Tighten gently and slide the knot up to the hook.

### Slip Stitch (sl st)

This is the shortest crochet stitch and the only stitch to not need an initial yarn over. It is used for joining, finishing, and when necessary carrying the yarn to another part of the fabric for the next stage.

Insert hook into work (second chain from hook), yarn over hook (yoh) and draw the yarn through both the work and loop on hook in one movement.

To join a chain ring with a slip stitch (sl st), insert hook into first chain (ch), yarn over hook (yoh) and draw through both the work and the yarn on hook in one movement.

### Chain Stitch (ch)

1 Yarn over hook (yoh) and draw the yarn through to form a new loop without tightening up the previous one.

2 Repeat until as many chains (ch) as required. Do not count the slip knot as a stitch.

### Single Crochet (sc)

1 Insert the hook (top of work) into the stitch (yarn over hook (yoh) and draw the yarn through both loops on the hook.

2 Yarn over hook (yoh) and draw the yarn through both loops on the hook.

3 Single crochet (sc) hook into next stitch; repeat (rep) from step 1.

### Half Double Crochet (hdc)

1 Yarn over hook (yoh) and insert the hook into the work (2nd chain (ch) from hook on starting chain).

2 Yarn over hook (yoh) and draw through the work only.

3 Yarn over hook (yoh) and draw through all three loops on the hook.

4 1 hdc made. Yarn over hook (yoh), insert hook into next stitch (sc) repeat (rep) from step 2.

### Double Crochet (dc)

1 Yarn over hook (yoh) and insert the hook into the work (3rd chain (ch) from hook on starting chain).

2 Yarn over hook (yoh) and draw through the work only.

3 Yarn over hook (yoh) and draw through the first two loops only.

### Reverse sc

4 Yarn over hook (yoh) and draw through the last two loops on the hook.

5 1 dc made. Yarn over hook (yoh), insert hook into next stitch (sc) repeat (rep) from step 2.
