

# HCI International 2024 Late Breaking Posters: Call for Participation

## Overview

HCI International 2024 invites submissions for Late Breaking Posters. These posters present research-in-progress or recently completed work that has not been previously published. Late Breaking Posters are an excellent opportunity to share your latest findings with the HCI community and receive feedback from experts in the field.

**HCI International 2024 – Late Breaking Posters: 22nd International Conference, HCII 2024, Copenhagen, Denmark, July 19–24, 2024, Proceedings, Part I (Communications ... Computer and Information Science Book 1293)** by Christine Manzari

Print length : 913 pages

HCI International 2024 will be held in Copenhagen, Denmark, from July 14-18, 2024. The conference will feature a wide range of tracks and workshops on all aspects of human-computer interaction, including:

- User experience design
- Interaction design
- Information architecture
- Social computing
- Mobile and ubiquitous computing
- Virtual and augmented reality
- Artificial intelligence
- Ethics and HCI

## **Submission Guidelines**

Late Breaking Posters should be submitted electronically via the HCI International 2024 website. The submission deadline is **March 15, 2024**.

Posters should be no more than 4 pages in length, including all text, figures, and references. The poster template can be downloaded from the HCI International 2024 website.

All submissions will be peer-reviewed. Authors of accepted posters will be invited to present their work at the conference.

## **Benefits of Submitting a Late Breaking Poster**

There are many benefits to submitting a Late Breaking Poster to HCI International 2024, including:

- **Share your latest findings with the HCI community.** Late Breaking Posters are an excellent opportunity to share your latest research

findings with experts in the field. This can help you to get feedback on your work and identify potential collaborators.

- **Receive feedback from experts in the field.** The HCI International 2024 conference will feature a wide range of experts in the field of human-computer interaction. This is a great opportunity to get feedback on your work from people who are actively working in the field.
- **Network with other HCI professionals.** The HCI International 2024 conference will be a great opportunity to network with other HCI professionals from around the world. This can help you to build relationships that can lead to future collaborations.
- **Learn about the latest research in HCI.** The HCI International 2024 conference will feature a wide range of presentations and workshops on the latest research in HCI. This is a great opportunity to learn about the latest trends in the field.

## **How to Submit a Late Breaking Poster**

To submit a Late Breaking Poster to HCI International 2024, please follow these steps:

1. Download the poster template from the HCI International 2024 website.
2. Create a poster that is no more than 4 pages in length, including all text, figures, and references.
3. Submit your poster electronically via the HCI International 2024 website by **March 15, 2024**.

## Important Dates

- **Submission deadline:** March 15, 2024
- **Notification of acceptance:** April 15, 2024
- **Camera-ready deadline:** May 15, 2024
- **Conference dates:** July 14-18, 2024

## Contact Information

For more information about HCI International 2024 Late Breaking Posters, please contact the conference organizers at [hci2024@hci-international.org](mailto:hci2024@hci-international.org).
