A Tale of Witchcraft, Justice, and the Power of Redemption

In the depths of England's most notorious prison, Newgate, a young woman named Mary Sutton stands accused of witchcraft. Imprisoned and awaiting her trial, Mary faces a perilous fate. The evidence against her is damning, and the fear and superstition of the time have turned the public against her.

As Mary's trial approaches, she finds an unexpected ally in the prison's chaplain, Richard Fletcher. A man of reason and compassion, Fletcher believes that Mary is innocent and sets out to uncover the truth. Together, they delve into the dark secrets of Newgate, a place where justice is often elusive and innocent lives can be lost.

As Mary and Fletcher's investigation progresses, they uncover a web of deceit and corruption that reaches the highest levels of society. They face danger, skepticism, and the relentless pursuit of those who wish to see Mary condemned. But through it all, Mary's indomitable spirit shines through, a beacon of hope in a world of darkness.

A Historical Novel that Resonates with Today's World

Set in the turbulent era of the English Civil War, *Hanging Mary* is a historical novel that speaks to issues that are still relevant today. The themes of justice, prejudice, and the struggle for truth are as timely as ever before.

Through Mary's journey, author Susan Higginbotham explores the dangers of superstition and the importance of critical thinking. She paints a vivid picture of a society torn apart by fear and division, and shows us how even in the darkest of times, the human spirit can prevail.

A Captivating Read that Haunts the Imagination

Hanging Mary is a captivating read from beginning to end. Higginbotham's prose is both lyrical and haunting, transporting readers to the treacherous world of 17th-century England. The characters are complex and well-developed, and their struggles and triumphs will stay with readers long after they finish the book.

Whether you're a fan of historical fiction, courtroom dramas, or stories of resilience and redemption, *Hanging Mary* is a must-read. It's a powerful and thought-provoking novel that will haunt your imagination and leave you questioning your own beliefs about justice and truth.

About the Author: Susan Higginbotham

Susan Higginbotham is a bestselling author of historical fiction. Her novels have been praised for their vivid storytelling, rich historical detail, and unforgettable characters. She is a graduate of Smith College and holds a master's degree in American Studies from Boston University.
