In order to be eligible to take the PMI ACP exam, you must have at least 2,000 hours of experience working on agile projects within the past five years. You must also have a high school diploma or equivalent.

Exam Format

The PMI ACP exam is a computer-based exam that consists of 120 multiple-choice questions. You will have three hours to complete the exam.

The exam is divided into the following five domains:

1. Agile Principles and Mindset

2. Agile Planning and Estimation

3. Agile Execution

4. Agile Monitoring and Control

5. Agile Leadership

Content Outline

The PMI ACP exam content outline provides a detailed list of the topics that will be covered on the exam. The content outline is divided into the following seven sections:

1. Agile Principles and Mindset

2. Agile Planning and Estimation

3. Agile Execution

4. Agile Monitoring and Control

5. Agile Leadership

6. Professional and Ethical Responsibilities

7. Domain-Specific Knowledge

Study Materials

There are a variety of study materials available to help you prepare for the PMI ACP exam. These materials include:

- Official PMI ACP Exam Study Guide

- Third-party study guides

- Online courses

- Practice exams

Study Tips

Here are some tips to help you study for the PMI ACP exam:

- Start studying early and give yourself plenty of time to review the material.

- Create a study plan and stick to it.

- Use a variety of study materials to keep yourself engaged.

- Take practice exams to test your knowledge and identify areas where you need to improve.

- Get enough sleep and exercise before the exam.

- Arrive at the exam center early and relaxed.

Exam Day

On the day of the exam, be sure to bring the following:

- Your government-issued ID

- Your PMI ACP Exam Registration Confirmation

- A pencil and eraser

- A calculator

You will be given three hours to complete the exam. Be sure to pace yourself and answer all of the questions to the best of your ability.

If you pass the exam, you will be awarded the PMI ACP certification. The certification is valid for three years.

The PMI ACP exam is a challenging but rewarding exam. By following the tips in this guide, you can increase your chances of success.
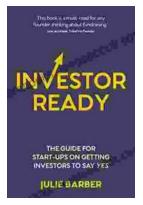

Good luck on your exam!
