- Plan and visualize missions in 3D

- Identify and assess potential threats
- Manage risk and develop contingencies
- Coordinate team movements and actions

Key Features of Patriot Fire Team Mission Planner

Patriot Fire Team Mission Planner is packed with features that make it the ideal mission planning tool for elite fire teams. These features include:

- **3D Visualization:** Patriot Fire Team Mission Planner allows fire teams to plan and visualize their missions in a fully immersive 3D environment. This enables fire teams to gain a clear understanding of the terrain, obstacles, and potential threats they may encounter during their mission.
- **Threat Assessment:** Patriot Fire Team Mission Planner provides fire teams with a powerful set of tools to identify and assess potential threats. These tools include a threat library, which contains a database of known threats, and a threat assessment tool, which allows fire teams to evaluate the likelihood and impact of different threats.
- **Risk Management:** Patriot Fire Team Mission Planner helps fire teams to manage risk and develop contingencies by providing them with a risk assessment tool. This tool allows fire teams to identify and evaluate potential risks associated with their mission and develop plans to mitigate those risks.
- **Team Coordination:** Patriot Fire Team Mission Planner enables fire teams to coordinate their movements and actions by providing them with a team coordination tool. This tool allows fire teams to create and

manage task lists, assign tasks to individual team members, and track the progress of each task.

Benefits of Using Patriot Fire Team Mission Planner

Patriot Fire Team Mission Planner offers a number of benefits to elite fire teams, including:

- Improved mission planning
- Increased situational awareness
- Reduced risk
- Enhanced team coordination
- Increased mission success

Patriot Fire Team Mission Planner is the ultimate mission planning tool for elite fire teams. It provides fire teams with the ability to plan and visualize their missions in 3D, identify and assess potential threats, manage risk and develop contingencies, and coordinate their movements and actions. By using Patriot Fire Team Mission Planner, fire teams can improve their mission planning, increase their situational awareness, reduce risk, enhance team coordination, and increase their mission success.
