- **Cost-effective:** Scraps are often free, and strips or jelly rolls can be purchased in bulk at a discounted price. This makes scrap quilting an economical option for creating quilts.

- **Eco-friendly:** By using up scraps, you're practicing sustainability and reducing waste.
- **Variety:** Scraps come in a wide range of colors, patterns, and fabric types, providing endless creative possibilities.
- **Unique:** No two scrap quilts are ever exactly alike, ensuring your creations are one-of-a-kind.
- **Improves skills:** Working with scraps and small pieces helps develop your precision cutting and piecing skills.

## **Types of Quilting With Scraps**

The beauty of scrap quilting lies in its versatility. There are various techniques you can use to create stunning quilts from scraps, strips, and jelly rolls:

### **Scrappy Quilts**

Scrappy quilts are a simple yet effective way to use up scraps of any size and shape. Simply sew the scraps together in a random or organized pattern to create a quilt with a unique and eclectic look.

## Strip Quilts

Strip quilts are made from strips of fabric sewn together lengthwise or crosswise. You can use scraps of different widths and lengths to create dynamic patterns. Strip quilts are a great way to practice your piecing skills.

## Jelly Roll Quilts

Jelly rolls are pre-cut strips of fabric, usually 2.5 inches wide, sold in bundles or packs. They come in a wide range of colors and patterns. Jelly roll quilts are quick and easy to assemble, making them a popular choice for beginners.

## **Techniques for Quilting With Scraps, Strips, and Jelly Rolls**

To get started with scrap quilting, you'll need the following materials:

- Scraps of fabric in various colors and patterns
- Strips or jelly rolls
- Rotary cutter and mat
- Ruler
- Sewing machine
- Thread

Here are some basic techniques to help you get started with scrap quilting:

## **Cutting Scraps**

Use a rotary cutter and mat to cut scraps into squares, rectangles, or other desired shapes. Aim for consistency in size and shape to facilitate easier piecing.

## **Piecing Scraps**

Sew scraps together to create larger quilt blocks. Experiment with different arrangements and color combinations to achieve your desired look. Use a quarter-inch seam allowance for accuracy.

## **Assembling Strips or Jelly Rolls**

Sew strips or jelly rolls together to create quilt tops. You can stitch them together horizontally, vertically, or diagonally. Consider alternating colors and patterns to create visual interest.

## **Quilting and Binding**

Once the quilt top is assembled, quilt it using your preferred quilting method. You can hand-quilt it, machine-quilt it, or tie it. Finally, bind the quilt edges to complete the project.

## **Creative Possibilities With Scrap Quilting**

The possibilities with scrap quilting are endless. Here are some creative ideas to inspire your projects:

- Create a scrappy quilt using only fabrics from a specific color palette or fabric type.
- Design a strip quilt with alternating strips of solids and prints.

- Use jelly rolls to create a quilt with an ombre or rainbow effect.
- Incorporate scraps into a larger quilt as accent pieces or borders.
- Make a mini quilt using only scraps from a previous project.

Quilting with scraps, strips, and jelly rolls is an exciting and rewarding way to create beautiful quilts while minimizing waste and saving money.

Whether you're a seasoned quilter or just starting out, scrap quilting offers boundless possibilities for expressing your creativity and creating unique and meaningful works of art. Embrace the challenge and enjoy the journey of transformative quilting through scraps, strips, and jelly rolls.
