Red Carpets And Other Banana Skins is a hilarious, poignant and revealing memoir that takes us on a journey through Danny's life, from his childhood in Deptford to his early days in broadcasting, and on to his current status as one of the most respected and loved figures in British media.

Along the way, Danny shares his thoughts on everything from fame and fortune to love and loss. He tells us about the highs and lows of his career, and he doesn't shy away from sharing the personal tragedies that have shaped his life.

But Red Carpets And Other Banana Skins is more than just a celebrity memoir. It's also a love letter to London, and to the people and places that have made Danny who he is today.

If you're a fan of Danny Baker, or if you're just interested in a good read, then I highly recommend Red Carpets And Other Banana Skins. It's a

funny, moving and ultimately uplifting story about one man's journey through life.

"A must-read for fans of Danny Baker and anyone interested in the world of British broadcasting." - The Independent

About the Author

Danny Baker is a British broadcaster, journalist, and author. He is best known for his work on BBC Radio 5 Live, where he presented the morning show for many years. He has also written several books, including the best-selling autobiography Red Carpets And Other Banana Skins.

Baker was born in Deptford, London, in 1957. He left school at the age of 16 and worked as a DJ and journalist before joining the BBC in 1980.

Baker's broadcasting career has been marked by both success and controversy. He has won several awards for his work, including the Sony Radio Academy Award for Best Radio Presenter. However, he has also been criticized for his outspoken views and his use of offensive language.

Despite the controversy, Baker remains one of the most popular and respected figures in British media. He is known for his quick wit, his encyclopedic knowledge of popular culture, and his passion for music.
