

Stories Can Tell: An Illustrated Confessional

What do you do when you have a story to tell, but you don't know how to write it? Or when you have a feeling that you can't quite express in words? For author and illustrator Leah Lewis, the answer was to create an illustrated confessional.

Stories Can Tell is a collection of personal essays and illustrations that explore the complexities of life. Lewis shares her own experiences, as well as those of her friends and family, to create a relatable and honest look at the human condition.

The book is divided into four sections: "Love," "Loss," "Joy," and "Sorrow." Each section features a mix of essays and illustrations that explore the different facets of each emotion. Lewis's writing is both funny and poignant, and her illustrations are full of detail and emotion.

In the essay "The Love of My Life," Lewis writes about her relationship with her husband. She describes the ups and downs of their relationship, and how they have learned to love and support each other through thick and thin.

In the essay "The Loss of My Father," Lewis writes about the death of her father. She describes the pain and grief she felt after his death, and how she eventually learned to cope with her loss.

In the essay "The Joy of My Children," Lewis writes about the joys of being a mother. She describes the special bond she has with her children, and how they have taught her to appreciate the simple things in life.

In the essay "The Sorrow of My Miscarriage," Lewis writes about the heartbreak of losing a child. She describes the physical and emotional pain she experienced after her miscarriage, and how she eventually found healing.

Stories Can Tell is a powerful and moving book that will resonate with readers of all ages. Lewis's writing is honest and relatable, and her illustrations are full of beauty and emotion. This is a book that will stay with you long after you finish reading it.
