The Kiss

The kiss between Clarke and Bellamy was a major moment for the show and for the fans. It was a moment that had been building for years, and it was a moment that the fans had been eagerly anticipating. The kiss was a symbol of the show's popularity, and it was a symbol of the fans' love for the show.

## **The True Kiss Fans**

The true kiss fans are the fans who have been shipping Clarke and Bellamy since the first season. They are the fans who have been waiting for the two characters to finally share a kiss, and they are the fans who were thrilled when the kiss finally happened.

The true kiss fans are a passionate group of fans, and they are the ones who have made The 100 the success that it is. They are the ones who have kept the show going for five seasons, and they are the ones who will continue to support the show for years to come.

## **The Impact of the Kiss**

The kiss between Clarke and Bellamy has had a major impact on the show. It has changed the relationship between the two characters, and it has changed the way that the fans view the show. The kiss has also had a major impact on the actors who play Clarke and Bellamy.

The kiss has been a positive experience for both actors. It has helped them to grow as actors, and it has helped them to develop a closer relationship with their characters. The kiss has also helped them to connect with the fans of the show.

## **The Future of The 100**

The kiss between Clarke and Bellamy has set the stage for the future of The 100. The kiss has shown that the show is willing to take risks, and it has shown that the show is willing to listen to its fans. The kiss has also shown that The 100 is a show that is not afraid to change.

The future of The 100 is bright. The show has a passionate fan base, and it has a talented cast and crew. The show has also shown that it is willing to take risks and change. The 100 is a show that is not afraid to go where no show has gone before.
