### **The Unfamiliar and the Enigmatic**

## Flowing Stream

Your voice, lap of flowing stream  
Across howling space.  
Your face beams a lover's dream  
From afar making the heart race.

Our eyes like morning dew blink  
As bees flitting on flower.  
The sun crawls, our glasses clink,  
We crane at the watchtower.

As each moment's delay ticks  
My day with unveiled smile,  
I hug heaven's dress code, fix  
My gaze, enthralled by the style

You chose for the bridal train.  
I wish I could wing the sun,  
Make your coming swift as rain.  
Waiting for the day isn't fun

Like watching a rooster flap,  
About to crow, neck stretched.  
All day, I avoid a nap,  
Living by faith that fetched

Me strength to hold on, sleeping  
All night, my right eye peeping.

A glimpse into Atkinson's poetic universe, where language takes flight in its pursuit of the unknown.

踏入阿特金森的诗歌之岛，你会发现自己被不熟悉和谜团所包围。她的作品充满了一种令人着迷的模糊性，拒绝简单的解释。

Atkinson's poems are often characterized by a juxtaposition of the familiar and the unfamiliar, creating a sense of disorientation and wonder. She invites us to question our preconceived notions and to embrace the enigmatic, allowing our imaginations to wander beyond the boundaries of the known.

Symbols and metaphors abound in Atkinson's work, becoming threads that weave together the fabric of her poetic landscape. These symbols often carry a deeply personal significance, inviting readers to delve into the poet's own psyche and to uncover the hidden meanings that lie beneath the surface of her words.

### **A Surrealist Tapestry**

阿特金森的诗歌深深植根于超现实主义运动，这是一场打破常规，探索潜意识心智的艺术运动。她的作品经常展现出一种梦幻般的品质，模糊了梦与现实之间的界限。

In Atkinson's poetry, objects take on a life of their own, becoming characters in a grand theatrical production. Animals and humans interact in

unexpected ways, creating a sense of wonder and enchantment that transports the reader to a realm where anything is possible.

The surrealist influence in Atkinson's work extends beyond the realm of imagery. It is also evident in her use of language, which often defies conventional syntax and grammar, creating a unique and otherworldly rhythm.

### **A Profound Connection to Nature**

Atkinson's deep connection to the natural world shines through in her poetry, where landscapes become vibrant characters.

At the heart of Elizabeth Atkinson's poetic island lies a profound connection to the natural world. Her poems are infused with a deep reverence for the beauty and power of the natural world, and they often explore the relationship between humanity and the environment.

Atkinson's landscapes are not mere backdrops for her poems; they are living, breathing entities that interact with the human characters. Trees, flowers, and animals become symbols of the subconscious, of our deepest desires and fears, and of our place in the vast expanse of the cosmos.

Through her poetry, Atkinson invites us to reconnect with the natural world and to rediscover the wonder and enchantment that surrounds us every day.

## **An Odyssey into the Imagination**

# APPEARANCES

Life shows itself to me  
as appearances -  
situations that look inviting.

I say to myself  
"I want the experience"  
so I have the experience.

But life is a living thing.  
It evolves, it fluctuates,  
it changes shape.  
After a while it no longer  
looks the same way  
as it first appeared.

So I change with it  
evolve with it  
and move on to another  
experience.

Appearances.
