The trilogy follows the lives of three friends, Sarah, Emily, and Anne, as they navigate the tumultuous waters of adolescence and adulthood. Set

against the backdrop of the 1960s and 1970s, the novels capture the spirit of a generation that faced unprecedented social and cultural change.

In the first novel of the trilogy, *The Sophisticates*, we meet Sarah, a young woman on the cusp of adulthood. Sarah is intelligent, ambitious, and eager to make her mark on the world. However, her dreams are shattered when she is betrayed by her best friend and lover. Devastated and disillusioned, Sarah must find a way to rebuild her life.

The second novel, *The Wanderers*, follows Emily, a free-spirited and adventurous soul. Emily embarks on a journey of self-discovery that takes her across the country and into the hearts of many different people. Along the way, she learns about the importance of love, friendship, and forgiveness.

The trilogy concludes with *The Survivors*, which finds Anne, a successful businesswoman, facing the challenges of middle age.
